Re: Publishing of Administrative Rules Public Notice

As was requested, the North Dakota Newspaper Association scheduled and ordered the insertion of your public notice into the official county newspapers for the Administrative Rules Hearing on July 14.

The Ashley Tribune did not publish the notice as requested on June 16 or on June 23. Unfortunately, another administrative rules notice was published in its place. Your notice was not published until June 30, 2010, short of the 20 day period before the hearing.

Technically, you did your part by requesting the notice be published. NDCC 28-32-10 (a) states "the agency shall request publication ...". The old language was "must be published". So, your department is covered according to the current law.

Please feel free to contact Roger Bailey, NDNA Executive Director with any further questions.

Thank you.
