**NOTICE OF INTENT TO AMEND ADMINISTRATIVE RULES
AND NOTICE OF PUBLIC HEARING**

November 6, 2014

PLEASE TAKE NOTICE that the Public Service Commission intends to amend its administrative rules with proposed amendments to the following parts of the North Dakota Administrative Code: Sections 69-09-03-01 and 69-09-03-02, Pipeline Safety (Case No. PU-14-761), Article 69-02, Practice and Procedure (Case No. AD-14-762), Sections 69-07-02-02 and 69-07-02-02.1, Grain Warehouse and Grain Buyer Bonds (Case No. GE-14-763).

The Public Service Commission will hold a public hearing to address the proposed amendments at **1:00 p.m. CST, on December 15, 2014, in the Commission Hearing Room, 12th floor, State Capitol, Bismarck, North Dakota.**

The proposed revisions to the North Dakota Administrative Code are:

Case No. GS-14-761

The purpose of this rulemaking is to adopt, by reference in state administrative rule, the most recent amendments to pipeline safety regulations adopted by the United States Department of Transportation, Pipeline and Hazardous Materials Safety Administration (PHMSA).

For gas pipeline safety, this rule change adopts amendments to safety regulations that have been adopted by PHMSA since June 22, 2011, current to November 6, 2014.

For hazardous liquids pipeline safety, the Public Service Commission currently has statutory authority concerning pipeline safety but hasn't initiated a safety program agreement with PHMSA.

Case No. AD-14-762

The proposed procedural rules consist of changes to the procedural rules in four areas: service of formal complaints; individual customer notice in utility rate related cases (bill stuffers); appearances at formal hearings, and protection of information.

The existing procedure when serving formal administrative complaints and notices related to those complaints is being clarified in the proposed rules, but not changed. One additional type of utility filing will be included with the existing types of filings for which individual utility customer notice is required. The requirement that staff who work on formal cases be noted as making a formal appearance is being deleted. The changes to the rules regarding when and how the Commission will protect information from general disclosure are the most comprehensive, but do not materially change the existing process, except to make protection of certain regularly filed information easier and less costly for everyone involved.

Case No. GE-14-763

The proposed rules change the way the warehouseman bond is determined, including requiring additional bond coverage for newer licensees, and those with substantial annual purchase volume. A reduction is available for a licensee with a shorter scale ticket conversion policy. The proposed rules also change the way the bond is determined for a roving grain buyer.

The proposed rule changes and the statements concerning the Regulatory Analysis, Small Entity Regulatory Analysis and Economic Impact, and Takings Assessment may be reviewed at the Public Service Commission's offices on the 12th floor of the State Capitol, Bismarck, North Dakota.
