

**Arnie E. Siverson, North Dakota Public Service Commission
Gas Pipeline Safety Program Manager**

Arnie Siverson obtained his bachelor's degree in mechanical engineering at the University Nevada, Reno in 1991. He has over 40 years in mechanical engineering experience with emphasis on heating, ventilation, and air conditioning (HVAC), refinery, process and plumbing piping systems. He has designed and provided project management construction phases on many commercial, industrial, medical, residential, and institutional facilities.

He has been affiliated with many consulting engineering firms in the tri-state area. Arnie worked 7 years for Kadrmas, Lee & Jackson (KLJ) in Bismarck, ND, as an oilfield services engineer and environmental inspector on well sites and pipeline right of ways in the Bakken Oil Fields. Prior to joining NDPSC, Arnie was employed with Bobcat Corporation, in Bismarck, ND, working as a quality control and systems engineer. Arnie began employment at North Dakota Public Service Commission as Pipeline Program Manager in December 2018.

Arnie is originally from Bowman, ND, and resides in Bismarck with his wife Mary for the past 22 years. They have two adult children and four grandchildren, who all live in Bismarck. Arnie's spare time is spent doing hunting, fishing, yard work, traveling, and enjoying activities with the grandkids.
