

DeWitt Burdeaux, Market Director, Pipeline Regulatory Services
TRC Solutions (www.trcsolutions.com)

DeWitt Burdeaux's 40-plus year career in the energy industry includes compliance oversight, training and research for state and federal agencies as well as lobbying, engineering, operation and compliance for the private sector. He has been with TRC Solutions since April 2017 providing regulatory compliance consulting, participating on AGA and API committees, and providing training related to pipeline safety.
